We are fortunate to have a team of committed and expert teaching and supporting staff. I assure you that no stone will be left unturned in helping you to accomplish your goals.

It gives me immense pleasure to say that the new college building was officially handed over to us following its inauguration in November 2024. We have shifted to new building which enables us to provide the facilities like modern class rooms, well equipped library, sizeable playground, ICT Labs, girls' common room, and an open air theatre. During this session, we are offering BA (Bachelor of Arts) and B.Com (Bachelor of Commerce) degrees; however, we are also looking forward to introducing some new degree programs and add-on courses.

College not only imparts academic knowledge but also plays a vital role in shaping students' career and fostering their holistic development through various co-curricular, cultural, and sports activities. Students are encouraged to be the part of NSS, Rovers and Ranger, Road Safety Club, Eco Club, and other subject societies. Additionally, they are encouraged to participate in various sports and cultural activities organized by Himachal Pradesh University, Shimla. Ragging is strongly prohibited on the college campus. Discipline and good behaviour are expected from every student. We look forward to accompanying you on this enriching academic expedition and welcoming you as the valued member of our college community.

Government Degree College, Chail Koti

Our Vision

As an emerging co-educational institution, we envision to nurture autonomous thinkers by cultivating a spirit of critical inquiry, scientific temperament, and reverence for conventional intellectual and moral values. Our aim is to foster the generation of innovative knowledge through sustained exploration, learning, and creative pursuits.

Mission

Our mission is to impart a comprehensive and transformative education that empowers students with essential competencies. We endeavour to equip them to survive, grow, and lead effectively in an increasingly interconnected and dynamic global landscape.

Introduction of the College

An educational institution is not merely a structure of brick and mortar; it is a legacy of learning and blessing for the community it serves. Situated amidst the verdant landscape of Koti village in Junga sub-tehsil, Govt. Degree College Chail-Koti was established on 1 June 2014 as a co-educational institution. Nestled among majestic deodar trees, flourishing apple orchards, and variety of wild flowers, the college campus presents a scenic and serene milieu that is naturally advantageous to attentive learning. The college commenced its expedition with 39 students, initially offering the Arts stream with English, Hindi, Political Science, Economics, Sociology, History, Mathematics and Physical Education. The introduction of commerce stream in June 2015 marked a significant milestone in the academic evolution of the college, broadening the spectrum of subjects available to students. Recognizing Music as the nourishment of the soul and a profound means of connecting with divine, the college takes pride in introducing Music as an additional subject in the Arts Stream. In the initial phase, classes were held in private premises generously provided without rent by Shri O P Sharma of Koti. Owing to persistent and unwavering efforts of the Principal and faculty, the college began to take a permanent shape as a Gram-Sewak Hut, a Guard Hut, and the building of Primary Health Centre (PHC) were handed over to the institution by the respective departments to ensure the smooth functioning of academic activities. A landmark moment came with the laying of the foundation stone for the college building by Lt. Shri Virbhadra Singh, the then Chief Minister of Himachal Pradesh, in the esteemed presence of local MLA Sh. Anirudh Singh, on 17 May 2015, near the Govt. Primary School, Koti. Additionally, the existing Primary School building was allocated to the college on the same day to enable the uninterrupted continuation of academic pursuits. Following the clearance of forest land in favour of Education Department under the FCA Act 1980, the construction work of the college building commenced in July 2020. The edifice was completed in March 2024 and formally inaugurated by Honorable Chief Minister, Sh. Sukhvinder Singh Sukhu, in the presence of the Honorable Minister for Panchayati Raj and Rural Development, Sh. Anirudh Singh, in November 2024. We express our sincere gratitude to Honorable Chief Minister and Panchayati Raj Minister for removing the solid handicap of the college by handing over the newly constructed building to us. We take immense pride in saying that now our institution has a modern and spacious building, complemented by a green campus and extensive playground that facilitates the conduct of diverse range of sports activities throughout the year. We have modern class-rooms, ICT labs, library, girls' common room and canteen. After having a capacious physical infrastructure, we are planning to introduce new add-on courses keeping in view the requirements and the interests of the students. Since its inception, the college is committed to provide the students with quality education with its motto of Gyanam Param Balam (Knowledge is Supreme Power). In order to achieve our goal and ensure the all-round development of the students, we offer programs such as NSS and organize various co-curricular and extra-curricular activities throughout the year along with regular academic goings-on.

Besides, we have different clubs and societies such as Red Ribbon club, Eco-club and Literary club that ensure students' participation in social and community services and keep them aware of the current world happenings. As a team, we are moving ahead with the aim to make students better equipped to face the challenges of life, both professionally and personally. Further information about the students, college and its activities is available on the college website: www.Gdcchailkotihighalt.

Choice Based Credit System (CBCS)

From the session **2013-14**, the Himachal Pradesh University adopted the UGC system of CBCS with an aim of improving the quality of education and the employability of students. It allowed the students to choose their subjects from a wide range of inter-disciplinary courses which are at par with other universities and colleges as approximately 70% syllabus was same across the universities of the country and only 30% deviation was allowed to the affiliating University. From the session **2018-19**, the University adopted the Annual system of examination keeping in mind the difficult topographical terrain of the state.

Some of the important features of the Annual system are as follows:

1. It is an annual system.
2. A candidate has to choose either the stream of Arts or Commerce.
3. Courses of a subject are of three types- Core courses (CC), Elective Courses (EC) and Ability Enhancement Courses (AEC).
 - **Core Courses:** Core Courses comprises of two types- Compulsory Courses and Discipline Specific Courses (DSC). The students will have to study English and Hindi in first two years as compulsory courses. A student is also required to study two DSCs in the first two years of the TDC Programme.
 - **Elective Courses (DSE):** A course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidates' proficiency/skill is called an elective course. A student is required to study 4 Discipline Specific Electives (DSE) and two Generic Elective (**GE**) courses of Inter-Disciplinary nature in the fifth and the sixth semesters/third year. Generic Elective courses are to be chosen from the pool of courses other than the Discipline Specific Courses already opted by the students.
 - **Ability Enhancement Courses:** The Ability Enhancement Courses are of two kinds: Ability Enhancement Compulsory Courses (**AECC**) and **SEC/AEEC (Skill Enhancement Courses/ Ability Enhancement Elective Courses)**. A Student is required to study 2 AECC Courses in first year itself out of Environmental Science (EVS)/ English Communication/ Prayogenmulak Hindi/ Modern Indian Languages (MIL) where EVS is compulsory. A student is also required to

choose 2 **SEC/AEEC** courses in 2nd year and remaining 2 SEC/AEEC courses in 3rd Year. AECC Courses are the courses based upon the content that leads to knowledge enhancement. The SEC Courses are value-based and /or skill-based and are aimed at providing hands-on-training, competencies, skills, etc. For more details go to page number 12-13.

4. All the courses are defined with a title and a code. These are required at the time of filling online examination form. A wrong entry of the subject code or the paper title will be detrimental like delaying the results. A list of these courses is provided at the end of Prospectus. Each of these courses are awarded a fix number of Credits which is either 6 or 4. A student has to earn 132 Credits in three years (44 Credits in one year i.e. $44 \times 3 = 132$) to earn the degree of Under-Graduation (UG). For the purpose of credit determination, instruction is divided into three components i.e. lectures, tutorials and practical-work.
 - One lecture as well as one tutorial of one hour each in a week is considered as one credit.
 - One practical of two hours in a week is considered as one credit.
5. The following table shows the detail of courses:

For the Award of Bachelor's Degree in Arts & Commerce

6. The Evaluation system of CBCS:

- Each paper is of 100 marks.
- The progress of a student in all courses/ papers is evaluated through an external as well as internal system.
- The external system is the usual one- an examination at the end of academic session called End Term Examination (ETE), that is conducted by the Himachal Pradesh University. It is of 70 marks.
- The remaining 30 marks are awarded through an internal evaluation system that is called Continuous and Comprehensive Assessment (CCA).
- The CCA has 04 components- Assignments, Class Attendance, Class Test & a Mid-Term Examination (MTE).
- The Assignment is awarded as well as evaluated by the course teacher. It is of 10 marks.
- The Class Test is also conducted by the course teacher. It is of 05 marks.
- MTE is a formal exam that is conducted by the college authority after the completion of 75% syllabus. It carries 10 marks. Attendance in MTE is compulsory.
- 75% Attendance in a course is compulsory as per HPU regulations. There is a reward of marks if a student attends more than 75% of the total lectures delivered by the course teacher which are awarded in the following pattern:

75% - 80%	80% - 85%	85% - 90%	90% - 95%	Above 95%
1 Mark	2 Marks	3 Marks	4 Marks	5 Marks

Ragging- A Punishable Offence

Prohibition of Ragging Under H.P. Educational Institutions (Prohibition of Ragging) Act, 2009 defines 'Ragging' as doing any act, by disorderly conduct, to a student of an educational institution, which causes or is likely to cause physical or psychological harm or raising apprehension or fear or shame or embarrassment to the student. Such disorderly conduct includes, teasing or abusing or playing practical jokes on or causing hurt to such students or asking a student to do any act or perform something which such student, will not be willing to do in the ordinary course.

A student who commits the offence of ragging shall be punishable with imprisonment for a term which may extend to three years or shall also be liable to a fine which may extend to Rs. 50,000/- or both.

If a student is convicted of the charges of committing, abetting, participating or propagating ragging, s/he shall be dismissed from the college and such student will not get admission in other colleges for a period of three years from the date of her/ his dismissal from the college.

Anti-Ragging Squad/ Monitoring Cell

An Anti-Ragging Squad/ Monitoring Cell, with Principal as the Chairperson, is formed to sensitize students about the menace of ragging which has tarnished the name of many reputed institutions by affecting lives of new entrants. Following measures are taken to ensure safe environs for the seekers of higher education:

- i. Putting up of notices for making students aware of the consequences of indulging in any form of ragging.
- ii. Displaying of names and phone numbers of members of anti-ragging squad at vital points of the college.
- iii. Regular counselling sessions for students by members of the Anti-ragging committee/ squad.

At the time of admission, an undertaking is sought from the parents barring their ward(s) from indulging in ragging and any other illegal activity failing which strict disciplinary action will be initiated by the college administration
